

Free Continuing Education Anywhere, Anytime for the Naval Reservist

WHAT is the Swank CE/CME Readiness & Training Program?

An online medical education program for Nurses, EMTs, Physicians, other Allied Health professionals (and MORE)! The program includes courses that can apply to ITP requirements, as well as numerous NEC specific courses.

HOW do I sign up?

As a Naval Reservist, you are already registered to use the program! Simply log on to www.swankhealth.com. Your site code is _____.

HOW do I receive CE/CME?

After you have logged on using your site code, social security number, and password:

1. Watch an accredited program
2. Take your test on-line with instant evaluation and grading
3. Print and/or request your certificate immediately

WHAT is the cost to me?

The best news of all...there is NO cost to you as a Naval Reservist and it is available NOW!

For more information, contact your CO.

Presently Serving Over 100 Military Sites Worldwide
